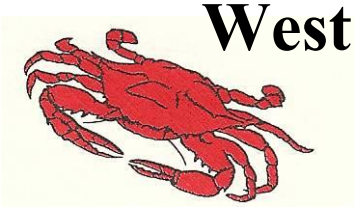
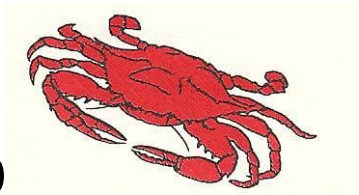
Walk in the parade with <u>The Alliance to Save the Mattaponi</u> at the West Point Crab Carnival!



October 6, 2007

parade starts @ 1:30

line-up on Kirby St. @ 1:00



This is the 11th year that the Alliance has walked in the parade at the Crab Carnival to oppose the proposed King William Reservoir. This year we have 20 shad fish windsocks on bamboo poles, a 50 ft**. <u>Save the Mattaponi</u>** banner that takes 8 people to handle, numerous hand-made signs and our old 10 foot banner to carry in the parade. So come down and show your support for stopping the Reservoir and walk with us! Each year we have also set up a booth to keep the public informed. You can find our booth towards the corner of 10th and Main Sts., close to the Episcopal Church. We will be selling T-shirts and letting people know the latest actions they can take to help continue the fight against the Reservoir.

Don't let Newport News steal the Mattaponi River !
